SAT NAV CO-ORDINATES: N36.49823 W4.70457

15 Rincon Del Golf

Avenida Del Golf

Riviera Del Sol

When you leave the airport go straight over the roundabout for the N340/A7. Follow signs for Algeciras and Cadiz. (Note that the A7 is the new name for the N340 so you are likely to see both road numbers on the same road so follow either and you will be fine.).

(Do NOT go straight over the bridge for Malaga here). Stay in the right hand lane.

Where you see the San Miguel factory on the right, take the right fork here and bear right past the BMW showrooms again following the A7 (NOT AP7 which is the toll road and you don't want this. If you take it in error, get off at Calahonda and call us from there).

The journey is straight for about 20 miles. Keep following the A7 (N340) signs for Algeciras and Cadiz. You'll see signs for Torremolinos, Benalmadena, Fuengirola and La Cala de Mijas as you carry on the A7/N340. (Don't take the Torremolinos coast road, it will take you much longer). A mile or so after La Cala you will see a sign for Riviera and Miraflores. Go past this one and then take the next exit for Riviera.

At the roundabout take second exit onto Avda del Golf. You will see a couple of bars and a supermarket (Opencor) on the right. Go over a couple of roundabouts straight to the top and you will see Miraflores Driving Range on the left at the crossroads behind the trees.

Turn right here – road is now also 'Avenida Del Golf', so with the Driving Range on your left turn right and the Villa is immediately on your left.

As you turn right, you will see a row of large townhouses backing onto Miraflores Golf Course. This is Rincon del Golf and you want number 15. The entrance gate is at the end of the first row of houses, just around the first corner.

Then follow the 'key guide' instructions to gain access and collect the keys from the lock box.
