

- Personal greet in the arrivals hall at Malaga Airport, avoids any queue or delay which can be excessive in peak periods
- Operate a 'full – full' fuel policy, simply fill the car to the same amount which the car has when you collect it
- Avoid the excessive car hire excess which most companies will try and sell you at up to €6 per day, which covers bodywork, windscreens, tyres, roof and undercarriage. If you want to can buy an annual policy through www.icarinsurance.com for only £39.99 for an annual policy
- In the event of any problems with the car then Fetajo's office is located very close by in Riviera
- On exit simply leave the car in the public car park at Malaga, placing the key and car park ticket inside
- Simply then text Fetajo in which bay the car has been left
